## **Coaches**

Lee Evans - 1981-87

Mike Stump - 1988-present

20 Individual Champions

(Six Most Outstanding)

112 placing in top six

When Calhoun High School Coach Lee Evans expanded the 1980-81 wrestling schedule, no one could have guessed that the squad of 15 would be the first of 28 straight winning teams. Those 15 wrestlers led the Red Devils to an eighth place finish of 39 teams represented in the Class AA-A state tournament, and five placed among the top six of their respective weight classes. The following year, the team finished second in the state, with three champions and three other placers.

Coach Mike Stump took over in 1988 and has continued to lead the team to success. He is now in his 22nd year.

Calhoun has finished among the top four teams in the Class AA-A tournament seven times in the last eight years.
